To the Frederick Classical Charter School Community:

Have you ever wondered what the Board of Trustees does?
Do you have questions about the process for the Board of Trustees or elections?

Please accept this notice that, in lieu of the regularly scheduled Board of Trustees meeting, the Nominating Committee will be hosting a virtual Meet and Greet/Q&A from 6-8 on Thursday, January 25th.

To join the video meeting, click this link:

Otherwise, to join by phone, dial +1 262-427-8042 and enter this PIN: 345 072 308#

In advance of our elections in the spring, this will be an opportunity for community members to ask questions of the Board of Trustees members to get a better idea of the position and the work it entails.

Meanwhile, we remind the community that we are still seeking applications to serve on the Board of Trustees for next school year:

Please submit questions for the BOT via this [Google Form](#) no later than Tuesday, January 23rd. We want to hear from you!

Yours in service,

The Nominating Committee
